

# LF-100P Label Printer

LF-100P supports online label printing. It can perfectly print barcode, QR code or simply series number, letters & characters. The image resolution is up to 600dpi, the printing speed is about 600mm/s, and it supports the label size from 4x4mm to 10x10mm. Integrated with DP automated handler-DP series, it will benefit your SMT production line to be more multi-functional and efficient.

## Specifications
